

Intro/Bio for Michele Scism (pronounced like scissors – scism)

I would like to introduce you to a serial entrepreneur who knows how it feels to fail miserably at business, at one time the bank actually called demanding their \$1.5 million back, and also knows how it feels to sign the contract to sell her company for \$9 million dollars. Michele Scism is driven, she's decisive and she doesn't pull punches. Let's welcome to the stage
