# Interact with Jabez

- 1 God's desire to bring joy and blessedness to every single person motivated Him in creating the earth and everything therein. Describe the two or three things in creation that bring you the most pleasure.
- 2 What was the most meaningful blessing that anyone ever gave to you outside of God and your immediate family?
- 3 Describe the best blessing you ever gave someone else. How did they respond?
- 4 Sadly, too many of us seem to be better "strivers for" blessings than "enjoyers of" those blessings. Since the Bible says that God gave us richly all things to enjoy, why do you think people often struggle to enjoy the blessings He gives us?
- 5 If you were shown all the blessings that God intended to give to you in the future if you simply asked Him, what would be your response?
